

## Overview

Thinking about future Headteacher? Then the **'Stepping into Headship'** programme will provide you with the pathway you need to 'step into your greatness.'

**'Stepping into Headship'** is an immersive and reflective experience that is designed to develop individual leadership skills and qualities, create a shared understanding of the Greensand leadership culture, explore real life experiences of Headship and support delegates through the challenges and preparation required to be successful.

The programme will be three full days across the academic year, with additional experiences in schools across the Trust (TBC).

**Stepping into Headship** is based on the Greensand Leadership Charter and a wealth of leadership experience across the Trust and wider partners. The programme aims to ignite the passion to become a Headteacher within a Greensand school and beyond.

**Stepping into Headship** is by application only and will need to be supported by your Headteacher. **If you are interested, please speak to your Headteacher.**

## Greensand Leadership Charter – The 7Up
