2. Policy & Purpose

The overall aim of the Pay Policy is to ensure that all teaching and support staff are valued and receive recognition for their work and contribution to school life.

2.1 The purpose of the Policy is to:

- a) Enable the Headteacher and the Trust's Executive Leadership Team to manage the remuneration of staff in a non-discriminatory, responsible and transparent way, which complies with current employment law and Trust policy on the fair and equal treatment of employees and with the principles of public life, namely objectivity, openness and accountability.
- b) Maintain and improve the quality of education provided for pupils in the schools by having a Trust pay policy that supports the schools' improvement plans and reflects the agreed aims of the schools.
- c) Support the equitable and objective determination of appropriate pay for staff under each individual school's appraisal policy and professional growth framework.
- d) Provide for a staffing structure that will enable each school to achieve its aims and objectives under their school improvement plan.

2.2 The Trust is committed to:

- a) Reviewing the Pay Policy annually against the targets set under the Trust development plan, the confines of the agreed budget and the Trust's spending priorities.
- b) Working within framework documents referred to in staff contracts, specifically for teachers, the School Teachers' Pay and Conditions Document (STPCD) and statutory regulations affecting the employment and conduct of teaching staff.
- c) Consulting staff members and local representatives of recognised trade unions as part of the annual review of this Pay Policy and ensuring that members of school staff have ready access to the up-to-date version.
- d) Complying with equalities legislation, specifically the following (as amended): the Employment Relations Act 1999, the Equality Act 2010, the Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000 and the Fixed-Term Employees (Prevention of Less Favourable Treatment) Regulations 2002.

3. The Pay & HR Committee

The Trust Board has a Pay & HR Committee (the Committee). Please see **Appendix 1** for the Terms of Reference of the Trust's Pay & HR Committee. The Committee will monitor pay decisions and consistency of those decisions across the Trust.

In determining the annual cost of living rises and pay scales for teaching staff, the Committee will follow Department for Education (DfE) and STPCD guidance with due regard to Joint Union recommended pay scales.

In determining support staff cost of living rises and pay scales, the Committee will take into account Surrey County Council and the Trust's Joint Consultative Group's recommendations.

4. Payroll Administration

The Trust's payroll is administered by Edupay.

Every effort will be made to make accurate salary (and other) payments on the due date, however, should an overpayment or underpayment occur, the Trust will seek to recover or refund the amount.

Employees are expected, and have a responsibility, to draw to the attention of the Trust, any overpayment or underpayment, as soon as possible.

In the case of overpayments, the employee will be notified of the full amount of the overpayment and agreement will be sought regarding a reasonable repayment schedule. Recovery of overpayments or a refund of underpayments will be pursued in the case of former employees.

4.1 Salary Sacrifice Schemes

Salary sacrifice schemes such as bike to work loans are available through the Greensand My Staff Shop. Arrangements will be made to enable staff to participate in these schemes should they wish to do so.

5. Salary Determinations - Teaching Staff

5.1 Classroom Teachers

In determining the specific starting salary for a successful applicant, the selection panel will take into account the applicant's relevant career history, previous salary, skills and qualifications based on the evidence collected through the selection process, including references.

The selection panel will usually recognise a teacher's upper pay range status, as awarded by another school, without requiring the teacher to reapply separately through the school's procedure. This is provided there is sufficient evidence collected through the selection process to demonstrate that the teacher meets the relevant criteria. Candidates will be required to provide evidence from their previous employer of successfully meeting the criteria.

Teachers without QTS or QTLS will be placed on the pay range for unqualified teachers.

Additional allowances may be awarded to new appointments where the Headteacher deems this to be appropriate. Specifically, where market conditions are deemed to be a factor, a recruitment allowance may be awarded if the criteria in 5 has been met.

The pay scales for teachers in the Trust can be found in **Appendix 2** of this Policy.

5.2 School Leadership Groups

The salary range for all staff paid on the leadership pay range will be determined by reference to the provisions of the STPCD and will include consideration of any broader responsibilities attached to the role.

Headteachers

The CEO will determine a 7 point pay range for Headteachers by reference to the school group size and taking into account all permanent responsibilities of the role, any challenges specific to the role and all other relevant considerations, ensuring that there is appropriate scope in the range to allow for progression over time.

The CEO will only re-determine a Headteachers pay range in the circumstances specified in the STPCD.

The CEO may determine that additional payments be made to a Headteacher for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined and which have not previously been taken into account when determining salary. Any such payments will be subject to the overall restrictions on Headteachers' pay set out within the STPCD.

Deputy Headteachers & Assistant Headteachers

A 5 point salary range for a Deputy Headteacher and Assistant Headteacher shall be determined by the school's Headteacher with reference to the STPCD, taking into account how the role fits within the wider leadership structure of the school, all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations.

The maximum of the pay range will not exceed the minimum of the Headteacher group for the school.

The Headteacher will only re-determine the pay range of a Deputy or Assistant Headteacher in the circumstances specified in the STPCD.

Certain additional allowances may be awarded to Deputy Headteachers and Assistant Headteachers where the Headteacher deems this to be appropriate (see Section 6 of this Policy).

5.3 Movement to the Upper Pay Range

Applications and Evidence

Any qualified teacher remunerated on main pay scale six may apply to be paid on the upper pay range and any such request will be assessed in accordance with this policy and the Trust's

Appraisal policy. It is the responsibility of the teacher to decide whether they wish to apply to be paid on the upper pay range. Also see **Appendix 7** – Threshold and Beyond: Progression.

Requests should be made no later than four weeks before the end of the summer term, using the Threshold pro forma – please see **Appendix 8**.

If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or schools. This school will not be bound by any pay decision made by another school.

5.4 Assessment

An application from a qualified teacher will be successful where the Headteacher is satisfied that:

- a) The teacher is highly competent in all elements of the Teachers' Standards; and
- b) The teacher's achievements and contribution to the school are substantial and sustained.

For the purposes of this Pay Policy, teachers need to meet the following criteria, and must be able to demonstrate the required level of performance has been sustained over a minimum period of one academic year:

Teaching

- Teaching is at least securely and consistently good;
- Misconceptions are successfully planned for and tackled successfully as they arise;
- Children's understanding is systematically and effectively checked within lessons anticipating where intervention is needed and doing so with notable effect;
- Based on in-depth knowledge and accurate assessment of children, planning builds on prior learning and the delivery, including interventions, extends all children successfully in their next challenging learning step;
- Questioning is fully inclusive, results in higher-level thinking, and excellently challenges and extends learning;
- Feedback is well-focused, diagnostic and helps children to make accelerated gains; and
- Teacher's strong subject knowledge contributes to highly impactful explanation and modelling.

Outcomes

- Almost all pupils achieve in line with school expectations; many exceed them;
- Vast majority of vulnerable children make at least expected progress; some make accelerated progress;
- Vast majority of children identify themselves as successful learners – and can talk confidently about their learning successes, how they have been successful and their next steps;
- Vast majority of children are typically engrossed in their learning and engaged in hard thinking;
- Vast majority of children enjoy school, feel safe, valued and cared for;
- Children routinely show high levels of courtesy, collaboration and respect - behaviour is very good; and
- The needs of vulnerable children, including SEN and Disadvantaged, are understood in depth and consistently expertly provided for, with evidence of notable impact.

Wider Contribution

- Sustained impact in current role, e.g. reviewing, developing, monitoring, improving, sharing professional expertise with colleagues and advising on effective practice;
- Impacted positively on the standards of others; and
- Positive, impactful working relationships with children, colleagues and parents.

Professional Development

- Routinely evaluates own impact of teaching & provision, supported by feedback and good knowledge of educational research; responds to this ongoing evaluation by adapting and improving practice & provision.

Personal and Professional Conduct

Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:

- Treating pupils with dignity, building relationships rooted in mutual respect, and at all times observing proper boundaries appropriate to a teacher's professional position;
- Having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions;
- Showing tolerance of and respect for the rights of others.
- Not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs;
- Ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law;
- Having proper and professional regard for the ethos, policies and practices of the school in which they teach; and
- Maintaining high standards in their own attendance and punctuality.

Commitment:

- Commitment to sharing professional knowledge and expertise orally and in writing, and advising on effective practice.

Employees who have been absent from work, for example due to maternity leave, or extended sickness absence, will be able to use evidence from earlier periods.

The initial assessment will be made by the Headteacher who will, in assessing against the criteria above, ensure that the contribution of a part-time teacher is considered equitably bearing in mind their working hours' commitment.

The Headteacher will consult with the teacher's performance manager as appropriate when considering the evidence.

The Headteacher will meet with the applicant to discuss their self-assessment and agree the judgements made. The vast majority of the criteria must be 'securely met' for teachers to be deemed suitable for progression.

If any of the criteria is judged as 'not meeting', the teacher will not be deemed suitable for progression. The Headteacher will discuss with the teacher what actions they could take to meet the criteria in the future.

5.5 Notification and Feedback

As part of the assessment process, Headteacher recommendations will be moderated by the Trusts Senior Leadership Committee to ensure parity, transparency and fairness in the assessment process. The Senior Leadership Committee for the purposes of pay moderation will include the CEO, Deputy CEO, Director of Safeguarding and the Director of HR.

The Senior Leadership Committee will inform the Headteacher of the outcome of the moderating process. The Headteacher will be responsible for providing feedback to the teacher. Feedback for unsuccessful teachers will have a developmental focus, stating specifically which criteria were met and which were not met, and confirming the right to appeal. Any appeal against a decision not to move the teacher onto the upper pay range will be heard under the school's pay appeals procedure.

The CEO will inform the Pay and HR Committee of the Committees collective decision(s) and confirm that the application and assessment process has been appropriately followed.

5.6 Pay Progression for Successful Applicants

Successful applicants will be moved onto the upper pay range from the 1st September following the application. It is the Trust's policy to place teachers who have successfully applied to access the upper pay range on the minimum of the range.

5.7 Movement to UPS 2 and UPS 3

To progress from UPS 1 to UPS 2 and from UPS 2 to UPS 3 teachers can use the relevant pro forma set out in **Appendix 8 and 9**. The same process as per 5.4-5.6 will be followed. Teachers do not normally move through the upper pay scale more frequently than every two years.

Requests should be made no later than two weeks before the end of the summer term, using the threshold pro forma – please see Appendix 8 and 9.

Additional criteria which need to be met to progress to UPS 2, beyond the criteria set for UPS 1 include:

Wider Contribution

- Makes a substantial and sustained contribution and impact to the wider life of the school, e.g. coaching, mentoring, lead on a School Development Priority, positively impacting on a club/learning beyond the classroom, organising/leading school events, PTA, Governor;
- Proactively impacts on staff morale, workload and well-being of others, e.g. opportunities with respect to 'Glimpse of Brilliance' (GOB) and taking part in school social events;
- Working relationships with colleagues characterised by an enthusiastic commitment to helping them overcome professional challenges and seek solutions;
- As appropriate, proactively leads the professional development of colleagues beyond their year group in a way which leads to notably improved outcomes for children; and

6 Allowances & Other Payments

6.1 Teaching and Learning Responsibility Payments (TLRs)

TLR1s and TLR2s

TLRs are awarded where the Headteacher is satisfied that the additional responsibilities are significant and meet the criteria specified in the STPCD. For the award of a TLR1, the post-holder must also have line management responsibility for a significant number of people.

In deciding the appropriate TLR for a post, the Headteacher should take into account the range of responsibilities entailed, the level of accountability, the number of people for whom the individual has line management responsibilities and any other factors the Headteacher deems to be relevant. Where posts are deemed to be of equal weight they will be allocated the same TLR. TLRs may not be awarded to leadership group post holders or unqualified teachers.

The value of each TLR will be determined annually by the Trust Pay and HR Committee. See **Appendix 2** for current year.

TLR3s

The Headteacher may award a fixed-term TLR (a TLR3) to a classroom teacher who has been given a time-limited school improvement project or one-off externally-driven responsibilities. To

award a TLR3, the Headteacher must be satisfied that the significant responsibility is one not required of all classroom teachers and which is focussed on teaching and learning, requires the exercise of a teacher's professional skills and judgement and has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils.

The value of each TLR will be determined annually by the Committee. See **Appendix 2** for current year.

The duration of the fixed term will be established by the Headteacher at the outset and payment will be made monthly during this period. Pay safeguarding will not apply at the end of the fixed period. As for other TLRs, TLR3s may not be awarded to leadership group post holders or unqualified teachers.

6.2 Special Educational Needs Allowances

A SEN allowance will be paid to a teacher:

- a) In any SEN post that requires a mandatory SEN qualification and involves teaching pupils with SEN; and/or
- b) Who teaches pupils in one or more designated special classes or units within the school; or
- c) In a non-designated setting, analogous to a designated special class or unit, where the post:
 - Involves a substantial element of working directly with children with special educational needs;
 - Requires the exercise of a teacher's professional skills and judgement in the teaching of children with special educational needs; and
 - Has a greater level of involvement in the teaching of children with special educational needs than is the normal requirement of teachers throughout the school or unit within the school.

It is for individual schools to determine the nature and level of challenge of the roles undertaken by its teachers working with pupils with SEN, compared and related to that of other teachers in the school, and to establish appropriate spot rates for the provision of SEN allowances which take into account the requirement for mandatory qualifications, the experience/qualifications of the teacher relevant to the post, and the relative demands of the post. Spot rate values must be in accordance with the SEN scale set out in Appendix 2.

6.3 Allowances for Unqualified Teachers

Unqualified teachers are not permitted to hold TLR or SEN allowances. The Headteacher may, however, exercise their discretion to determine that an additional allowance is payable to an unqualified teacher if they consider that the teacher has:

- A sustained additional responsibility which is focused on teaching and learning and requires the exercise of a teacher's professional skills and judgement, or
- Qualifications or experience which bring added value to the role being undertaken.

6.4 Part Time Teachers

Teachers who work less than a full working week are deemed to be part-time. The Trust will give them information about their working time obligations (directed time) and the standard mechanism used to determine their pay, subject to the provisions of the statutory pay and

working time arrangements and by comparison with the School's timetabled teaching week for a full-time teacher in an equivalent post.

6.5 Supply Teachers

Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day will be calculated on a pro-rata basis, or by any alternative methods agreed by the Trust. In the same way, teachers engaged to work for less than one day will be paid hourly and will have their salary calculated as an annual amount which will then be divided by 195, before being divided again by the proportion of the full school day which they teach in order to arrive at the hourly rate.

7. Salary Determinations – Support Staff

7.1 School Support Staff

The salary grading's for posts shall be based on the job description approved by the Headteacher or other appropriate person and have regard to the terms and grading applicable for similar roles or work throughout the Trust and to any model frameworks for the pay and grading of support staff produced by the Trust.

For support staff newly appointed on Greensand Pay grades, appointment will normally be made on the minimum of the salary range for the relevant grade. However, the appointment can be made on a salary above the minimum of the range where the Headteacher or other appropriate person wishes to recognise particular experience and/or qualifications appropriate to the post, the current salary of the appointee where it exceeds the minimum of the range, or any particular recruitment difficulties. In determining the specific starting salary for a successful applicant, the selection panel will base its decision on the evidence collected through the selection process, including references.

The pay scales for support staff in the Trust can be found in **Appendix 4** of this Policy.

7.2 Greensand Central Team Staff

The Trust Board will ratify pay for the CEO and FOD, following recommendations from the Trust's Pay & HR Committee, with reference to the size of the Trust and taking into account all permanent responsibilities of the roles, challenges specific to the roles and all other relevant considerations.

An annual cost of living award will be decided and applied equitably to all Executive Leadership Group roles that sit outside of the Teacher and Support Staff salary ranges. The award will be determined with due regard to percentage increases agreed for both the support and teaching workforce.

Further details on the setting of Executive Leadership roles that sit outside of the Teacher and Support Staff salary ranges can be found in **Appendix 11** of this policy.

The CEO will determine and approve pay for Executive Leadership Team roles paid on both the Teacher and Support Staff salary ranges with due regard to any increases agreed for other strategic leadership roles and taking into account all permanent responsibilities of the role, challenges specific to the role and all other relevant considerations.

For all other members of the Central Team, the Executive Leadership Team will determine the salary grading for posts based on approved job descriptions with due regard to the terms and grading applicable for similar roles or work throughout the Trust, and to any model frameworks for the pay and grading of staff produced by the Trust.

7.3 Support Staff Pay Calculations - Term Time Workers

Term time employees receive an annual salary based on the number of term time weeks for which they are employed, plus the normal annual leave and public holiday entitlement (eight days per annum) on a pro rata basis. Annual leave is therefore deemed to be taken during school closure periods and cannot be taken during term time. Annual salary for term time only staff is calculated as indicated below. The resulting salary is paid in 12 equal monthly instalments and includes annual leave and public holiday pay spread over this period. There is therefore no further entitlement to paid annual leave or public holidays.

When calculating a part time term time employee's pro rata pay, the full time equivalent annual salary will be multiplied by the number of weeks worked per year and by the number of hours worked per week. This is then divided by the appropriate denominator according to the employee's holiday entitlement.

The Trust will apply the following denominators:

- 1632 (26 days) for employees with less than two years' continuous service, calculated as follows:
 $26 \text{ days entitlement with } 8 \text{ additional bank holidays} = 34 \text{ days} = 6.8 \text{ weeks}$
 $52.14 \text{ (which is } 365/7) - 6.8 \text{ weeks} = 45.34.$
 $45.34 \text{ multiplied by } 36 \text{ hours (for a full time week)} = 1632$
- 1618 (28 days) for employees with between two and five years' continuous service, calculated as follows:
 $28 \text{ days entitlement with } 8 \text{ additional bank holidays} = 36 \text{ days} = 7.2 \text{ weeks}$
 $7.2 = 44.94$
 $44.94 \times 36 = 1618$
- 1603 (30 days) for employees with more than five years' continuous service, calculated as follows:
 $30 \text{ days entitlement with } 8 \text{ additional bank holidays} = 38 \text{ days} = 7.6 \text{ weeks}$
 $52.14 - 7.6 = 44.53$
 $44.53 \times 36 = 1603$

The Committee will review denominators annually.

7.4 Support Staff with Protected Pay Scales Following TUPE

Support staff working at Milton Mount Primary School subject to protected Green Book National Joint Council (NJC) pay scales will receive an annual salary based on the number of term time weeks for which they are employed, plus the statutory holiday entitlement as detailed in the Working Time Regulations. Staff will also receive a Crawley Allowance fixed at £561 per annum on a pro rata basis. The NJC pay scales can be found in **Appendix 12**. Annual pay awards and incremental increases within pay bands (where applicable) are applied in April.

Support staff engaged on Surrey County Council pay and conditions will receive an annual salary based on the number of term time weeks for which they are employed, plus the normal annual leave and public holiday entitlement (eight days per annum) on a pro rata basis. Surrey County Council Pay Scales can be found in **Appendix 13**. Annual pay awards and incremental increases within pay bands (where applicable) are applied in April.

8. Salary Determinations – Apprenticeships

The pay scale point for apprentices will be determined by the Headteacher or other appropriate person and will take into consideration the individual job role and responsibilities, alongside the Government's guidance on pay and conditions for individuals recruited on an apprenticeship scheme and the comparative level of remuneration on the Surrey Apprenticeship pay framework.

9. Pay Reviews

All members of staff will be provided with a salary statement to take effect from 1 September each year. This statement will contain details of the annual salary plus any allowances due to the staff member. This will be provided after pay decisions have been ratified by the Trust's Pay and HR Committee.

All eligible members of staff will have their pay reviewed annually during the summer term. Staff will automatically progress up the pay range applicable to their role until they reach the top of their range, unless they are subject to performance management proceedings. All members of staff can expect to receive regular, constructive feedback on their performance and to be informed if there is any aspect of their performance that falls below expectations. Should this be the case, the member of staff should be provided with support and the opportunity to improve within the academic year.

To be eligible for consideration for pay progression, members of staff must have completed their probationary period. Staff who have not been in post for 26 working weeks as of 1 September will not be eligible for pay progression, unless their offer letter states otherwise.

Decisions regarding pay progression will be adjusted where appropriate to take into account special circumstances, for example long-term absence resulting from sick leave or maternity leave. A decision on what adjustments may be necessary will be made on a case-by-case basis depending on the individual circumstances.

10. Additional Payments

The Trust may make such payments as it sees fit to a member of staff, other than a Headteacher, in respect of:

- a) Continuing professional development undertaken outside the school day;
- b) Activities relating to the provision of initial teacher training as part of the ordinary conduct of the school;
- c) Participation in out-of-school hours learning activity agreed between the staff member and the Headteacher; and
- d) Additional responsibilities and activities due to, or in respect of, the provision of services relating to the raising of educational standards to one or more additional schools.

Any such payments must be agreed and approved in advance by the Headteacher.

Headteachers, in consultation with the Greensand Central Team, also have the discretion to pay student teachers a retention incentive at the end of their placement/upon qualification as part of a permanent appointment package in recognition of services rendered during their unpaid trainee placement.

In addition, the Headteacher/CEO reserves the right to approve payment of honoraria in recognition of work that goes beyond that normally expected of the post holder.

Recruitment and Retention Allowances

The Trust will, in exceptional circumstances, consider the award of a recruitment or retention allowance for posts where it anticipates or encounters recruitment and/or retention difficulties. Any agreed recruitment or retention allowance must be time bonded to no longer than 24 months, at which point the Headteacher or CEO must review the appropriateness of the allowance and make a decision as to whether to issue a new allowance or not.

In determining whether a post will be eligible for a recruitment and retention allowance, Headteachers/the CEO will take into account the following factors:

- Whether the post is in a nationally recognised shortage subject area;
- Whether the post has had to be re-advertised due to insufficient quantity and/or quality of applicants;
- Whether previous recruitment to posts of a similar nature has proven difficult;
- Whether there has been a high rate of staff turnover;
- Any other relevant circumstance that the Headteacher/CEO believes is having a detrimental impact on the recruitment and retention of staff.

Where such an incentive or benefit is awarded, the Headteacher/CEO will determine:

- Whether the award is for recruitment or retention;
- The nature of the award (e.g. cash sums, travel, housing costs, etc.) and its value;
- When/how it will be paid*;
- The start date and expected duration of the award (unless it is a one-off award);
- The review date after which the award may be withdrawn;
- The basis for any uplift that may be applied.

(*Allowances may be paid monthly, paid wholly or in part as a lump sum subject to satisfactory completion of service in the previous year, or paid by a combination of the two methods.)

Recruitment and retention allowances cannot be paid to the leadership group except where they relate to a reimbursement of reasonably incurred housing or relocation costs. Any other recruitment and retention considerations will be taken into account when determining the leadership pay range.

The Trust's Central Team will conduct regular formal reviews of all recruitment and retention awards and will withdraw awards where the circumstances no longer justify their continued payment.

11. Overtime

Headteachers should regularly review hours with their staff to ensure they are achieving an appropriate work life balance and if appropriate, ensure long hours are not having an impact on an employee's health and welfare.

Overtime must be approved in advance and payment will be based on an employee's basic pay. Where an employee has more than one contract, then each post is seen as separate in terms of hours of work and the hours cannot be combined to attract additional overtime pay. All additional hours worked will be paid at single time irrespective of when they are worked.

12. Pay Appeals

In the event of a member of staff seeking reconsideration of a pay decision he or she should first seek to resolve the matter informally through discussion with the decision maker, or if the complaint concerns the decision maker, with the next senior member of the SLT or at Trust level. See **Appendix 5** for details of who complaints should be referred to. **(Informal Stage)**

If the staff member has been unable to resolve their concerns informally, they should set out their complaint in writing and submit this to the next appropriate senior manager (**see Appendix 5**) who will convene a meeting within 10 working days. At the meeting, the hearing manager will consider the staff member's concerns and afford the opportunity for him/her to make representations in person, accompanied by a trade union representative or work colleague if desired. The staff member should be informed, in writing, of the outcome of the meeting within 5 working days and notified of the right of appeal, where applicable. **(Stage 1)**

If the member of staff wishes to appeal against the outcome of the meeting, he/she should do so within 10 working days of receipt of the written outcome of their complaint. Please refer to **Appendix 5** for the avenues of appeal. The written grounds of appeal should be submitted to the Trust's Lead Governance Professional, who will pass them to the Independent Appeal Panel (a panel of three Trustees from the Trust's Pay & HR Committee). The staff member will be notified of the date of the appeal meeting and has the right to be accompanied by a trade union representative or a work colleague. If the member of staff wishes to submit any written evidence as part of his/her appeal, then he/she must do so at least 5 working days prior to the appeal meeting. **(Stage 2)**

The following list, which is not exhaustive, includes the usual reasons for seeking a review of a pay determination.

That the person or committee by whom the decision was made:

- Incorrectly applied a provision of the STPCD or this policy;
- Failed to have proper regard to statutory guidance;
- Failed to take proper account of relevant evidence;
- Took account of irrelevant or inaccurate evidence;
- Was biased;
- Otherwise unlawfully discriminated against the member of staff.

An agenda for hearing a pay appeal is included as an appendix to this Policy (**Appendix 6**).

The decision of the Independent Appeal Panel should be confirmed in writing to the member of staff within 10 working days of the appeal hearing.

This procedure fulfils the function of the grievance procedure and therefore pay decisions cannot be reopened under the general grievance procedure.

13. Equal Opportunities

13.1 Equality monitoring

The Trust will monitor the outcomes and impact of this policy on a regular basis in conjunction with employee and union representatives.

13.2 Equal Opportunities

The Trust seeks to provide equal employment opportunities for all staff and will comply with all relevant employment and equalities legislation and regulations at all times.

The Public Sector Equality Duty requires employers to have due regard of the need to:

- a) Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
- b) Advance equality of opportunity between people who share a protected characteristic and those who do not, involving in particular having due regard to the need to:
 - Remove or minimise disadvantages suffered by people due to their protected characteristics;
 - Take steps to meet the needs of people with certain protected characteristics where these are different from the needs of other people; and
 - Encourage people with certain protected characteristics to participate in public life or in other activities where their participation is disproportionately low.
- c) Foster good relations between people who share a protected characteristic and those who do not.

The Trust will continually monitor the implementation of this policy to ensure that it complies with the aforementioned legislation to ensure that all staff are treated equally and fairly, minimising the risk of any direct or indirect discriminatory practices.

14. Policy Review

This Policy will be reviewed annually by the Trust's Pay and HR Committee.

Appendix 11

Compliance with the [Academy Trust Handbook](#) is a condition of the Trust's funding agreement. The Handbook sets out the financial management, control and reporting requirements that apply to all multi academy trusts.

The Academy Handbook 2023 sets out the following requirements in relation to executive pay:

2.27 The board of trustees must ensure its decisions about levels of executive pay (including salary and other benefits) follow a robust evidence-based process and are a reasonable and defensible reflection of the individual's role and responsibilities. No individual can be involved in deciding their remuneration.

2.28 The board must discharge its responsibilities effectively, ensuring its approach to pay and benefits is transparent, proportionate and justifiable, including:

- an agreed process for determining executive pay
- independent scrutiny by the board
- robust decision-making
- proportionality – that pay and benefits represent good value for money and are defensible relative to the public sector market
- documented decision-making with rationale
- a basic presumption that executive pay and benefits should not increase at a faster rate than that of teachers, in individual years and over the longer term
- understanding that inappropriate pay and benefits can be challenged by ESFA, particularly in instances of poor financial management of the trust.

When determining pay ranges for Executive Leadership Group roles that sit outside of the Teacher and Support Staff salary ranges, including the CEO and FOD role, the board will take into consideration:

- The Trust's academic performance and children's outcomes
- The Trust's financial performance
- The total cost of the remuneration package
- Permanent role and responsibilities that may not be typical of the role in other organisations (where applicable)
- Pay benchmarking and comparative ratios
- Characteristics of the Trust
- Public scrutiny
- Any other factors the board deem relevant

Decisions to award pay progression must be related to the individual's performance and the Trust's appraisal and professional growth process. Pay progression will be linked to clear and measurable key performance indicators and strategic development plans. The board must be satisfied that there is an evident link between the levels of achievement of the individual and across the Trust and pay progression.

Pay increases should always be considered in the context of the wider organisation.

Cost of living increases will be decided and applied equitably to all Executive Leadership Groups roles that sit outside of the Teacher and Support Staff salary ranges. The award will be determined with due regard to percentage increases agreed for both the support and teaching workforce.
