

Terms of Reference for Members & the Members' Board 2025/2026

Members of multi-academy trusts are akin to the shareholders of a company (except that they do not receive dividends). They have ultimate control over their MAT and have a number of statutory rights, as well as rights set out in their trust's Articles of Association.

All Members ("Members") of Greensand Multi Academy Trust ("the Trust") share equally with the other Members the responsibility of being 'guardians' of safeguarding the governance of the Trust. Whilst the Trustees will strategically challenge the operational management of the Trust and exercise all the powers of the Trust on a day-to-day basis, they are ultimately accountable to the Members for this and the Members should interact with the Trustees to ensure that that role is being fulfilled effectively. The Members' role is discrete and one of oversight.

There is a distinct separation between the Members' Board and the Trust Board.

Members' Guarantee

The Trust is a company limited by guarantee. The 'guarantee' is that each Member guarantees to pay £10 for the debts and liabilities contracted before they cease to be a Member in the event that the company is wound up. £10 is the full extent of each individual Member's liability under the Members' Guarantee.

The Trust's Members' Board should ideally consist of five Members.

With Member voting, the approval by at least 75% of the Members is required for special resolutions, whereas ordinary resolutions require a simple majority.

1. Responsibilities of Members

In general terms, the responsibilities of the Members are to:

- be a 'guardian' of the Trust by safeguarding and promoting the values and ethos of the Trust;
- ensure that the Trust's charitable objective is being met and that the Trust is acting within its Objects as set out in the Articles of Association and, further, to enforce the provisions of the Articles, if necessary, against other Members and/or the Trust;
- hold the Trust Board to account for the effective governance of the Trust and ensure that the Trustees are carrying out the purpose of governance (see **Annex 1**) and performing well;
- safeguard publicly funded community resources and ensure that the Trust is spending public money wisely;
- support the Trust and be an advocate for it;

- carry out their business effectively, including induction of new Members and a commitment to the continued professional development of Members; ^[1]_{SEP}
- direct the Trustees, where deemed appropriate, to take a specific action where Trustees are unable or unwilling to act in the best interests of the Trust;
- meet once a term and at the Annual General Meeting (AGM) in each academic year.

Overall, Members have limited practical involvement in the management of the Trust and will be more involved at a strategic level.

2. Purpose of the Members' Board: Specific Powers & Functions reserved to the Members

- To review and amend the Articles of Association of the Trust as and when required;
- To change the Objects of the Trust as set out in the Articles of Association (which would require Charity Commission and Secretary of State consent);

- To appoint (and where necessary remove) one or more Trustees to the Trust Board in accordance with the Trust's Articles of Association;
